THE PRIDE OF THE SOUTH SIDE

WHPK 88.5 FM CHICAGO

This is WHPK 88.5 FM, the campus based, community radio station licensed to the University of Chicago. Lurking down at the extreme left of your FM dial, we've been filling the airwaves with our particular brand of radio for over 50 years now.

We here at WHPK don't have a market, nor a general target audience; we have listeners, and we count them one by one within our broadcast range to the greater South Side of Chicago. We're a noncommercial, nonprofit radio station, meaning we have complete freedom to play some of the best music this side of Jupiter that you'd be hard pressed to find assembled on any other frequency. This freedom also allows us to make our programming reflect the amazing variety of music and culture that abounds in this great city of Chicago (though we do wander beyond the city limits as well to bring voices from elsewhere in the nation and the world).

We don't guarantee that you'll like everything you hear on WHPK; some things may sound unfamiliar, disorienting, and downright odd. But to appeal to the lowest common denominator has never been our mission. We would rather provide you with 2 hours of thought-provoking, entertaining programming that has relevance and meaning to your life, than to bore you with 24 hours of vacuous repetition while we attempt to sell you things you don't need.

So open up our program guide, and check out our schedule. Whether its jazz, blues, rock, dance, rap, folk, classical, world music or news (or all of the above) that feeds your fancy, tune into WHPK 88.5 FM; we're open 24 hours, 365 days a year.

CLASSICAL

WHPK's classical format brings you music from the eras and aesthetics passed over in the mainstream marketplace of the soothing and the familiar. From medieval chant to American minimalism and beyond, our DJs challenge you with the best selections from seven centuries of classical music.

FOLK

Folk music is the people's music, with its origins rooted in particular cultural (or subcultural) traditions and its full-grown forms developed through community assent and appreciation. It always takes an interest, both in your politics and in your love life. Irish traditional music, acoustic blues that inspired the 1960s U.S. folk revival, old-timey and hillbilly tunes, country and cowboy croons, and contemporary singer-songwriters—you'll hear them all if you come sit a spell with us—you're one of the folks, and we'll make you right welcome.

ROCK

Our rock DJs lose sleep staying up all night to bring you the finest rock and roll on the planet. You'll hear every genre, sub-genre, and passing fancy spun by our nimble fingered rock crew, from punk rock, hardcore, pop, prog-rock, kraut rock, post-rock, psychedelia, and goth, to space rock, industrial, no wave, new wave, noise, art rock, glam rock, metal and just plain old classic rock.

DANCE

Tune in to WHPK every Sunday night from 9:30 pm-12 am to hear nothing but the best of drum 'n bass, hard techno, hardcore and gabber!

RAP

WHPK was the first to bring hip-hop to the South Side's airwaves over a decade ago back when other radio stations were still playing Huey Lewis and the News. Quite a few have caught on by now, but our Rap shows continue to be the best out there. DJs JP Chill, Eric-Collapser and newcomer DJ Natural play the cutting edge of the hip-hop underground while keeping a firm grip on the old-school; all unedited and uncensored. And on Friday nights you'll get to hear live mixes by legendary DJs from around Chicago.

INTERNATIONAL

From the oldest field recordings of isolated tribes to the high-production-value, commercial world-music CDs, our international DJs bring you wonderful sounds from around the world. They explore the cultural and social context of the music, the performers, the instruments, and the meanings of the lyrics. Tune in for information about Chicago-area performances and announcements about related arts events. Interesting guests and ticket-giveaways are frequent features.

JAZZ

WHPK's famed jazz DJs swing you around and drive you home, playing jazz from the inside to the outside. Their musical knowledge will educate, enlighten and entertain as you're treated to the best in Bop, Big Band, Swing, Latin, and Free jazz. You'll hear the sounds of yesterday and tomorrow from DJs each with his or her own unique perspective on the world of jazz music.

SPECIALITY

Our specialty shows offer a unique radio experience. There's the "Evil Show" hosted by bluesman Dave Waldman, where you'll hear some of the purest blues sounds of the century from the early days of recording up through today. "Radio DaDa", hosted by renowned music critic John Corbett and a variety of talented DJs, mixes up music of every shape and form, focusing especially on free jazz and the avant-garde. Immediately following "Radio DaDa" is "Cacaphonix" an hour long feast of pure, unadulterated noise "music". Then there's the "Dusties Party", keeping soul, funk and R & B alive on the South Side. On Friday evenings our rock DJs show off their completist collecting and scene snobbery as they focus in on a particular artist, band, musical style, or theme on the "Friday Focus". If you're too tired to go out to the clubs on Friday nights, tune in to "Pure Hype", where we bring local rock bands to play live on-air in our record library. Finally, you can spend your Saturday nights with WHPK's unofficial radio personality Arkansas Red, on the "Blues Excursion". Arkansas sings along to his favorite blues, talks to listeners over the air and lambastes the competition. Not to be missed!
